Sir,

Adverting to G.O.No. 896 P.H. dated 17th April 1928, I have the honour to submit herewith a copy of Taluk Board resolution No. 154 dated 30-6-1928 and to state that the Taluk Board has approved the draft deed of conveyance (copy enclosed) drawn up in consultation with the local Government Pleader, M.R.Ry., B.Srinivasa Rao Avl., B.A.B.L., I request that the Government may be pleased to accept the

P.T.O.

deed and communicate their orders to me when the needful will be done.

2. Further, the Taluk Board has reolved to convert from 1st August 1928, the present rural allopathic dispensaries at Shirwa and Barkur as regular dispensaries each with a staff consisting of one Medical Officer on - Rs 45/- , One midwife on Rs 20/-, one compounder on Rs 20/-, one ward cooly on Rs 12/- and one toty on Rs 10/- per month and the resolution will be given effect to from that date. The Board has also resolved to transfer the exisiting -- rural allopathic dispensaries at Barkur and Shirwa to Kota and Perdur respectively. I request that the Government will be pleased to accord sanction to the proposal and -- to continue the payment of subsidy to the Taluk Board on account of the said rural dispensaries.

3. Moreover, it is proposed to open rural allopathic dispensaries at Kunjal, Kokkarne, Kaup and Malpe in accordance with the scheme outlined in G.O.No. 1522 P.H., dated 22nd October 1924 as necessity for the same has been keenly felt by the Public. I therefore request that the Government may be pleased to accord their sanction for the opening of the dispensaries at those centres and to grant subsidies to the Taluk Board on account of those institutions also.

I have the honour to be,

Sir,

(Designation) Offg. Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

Ref:- Letter Ref. C.N. 104/28/U.T.B./Sup. dated 11-7-28 from the President, Taluk Board, Udipi, to Government through the Surgeon-General forwarding the draft conveyance deed for the transfer of the Taluk Head Quarters Hospital, Udipi, to Government and submitting proposals for opening certain rural dispensaries and for the conversion of certain rural dispensaries to regular dispensaries.

F o r w a r d e d.

(2) In the draft deed drawn up by the Udipi Taluk Board for the transfer of the Hospital to Government, it is stated that they are handing over the Hospital on the condition that every patient in the Taluk Board area should be admitted and treated gratis. This is contrary to the existing rules. In the

Draft

draft conveyance deed printed in G.O. No. 496 Medl. dated 13th September 1920 which has to be adopted with suitable alterations by the local bodies it is stated that only such of the poor who may apply to the Hospital be given free medical aid and relief. This portion of draft conveyance deed drawn up by the Taluk Board, Udipi, may therefore be altered to suit the wording in the conveyance deed approved by Government in G.O. No. 496 Medl. dated 13-9-1920.

(3) In the schedule of the conveyance deed under reference, the Taluk Board, Udipi, has omitted to include the four blocks of servants quarters attached to the Hospital and located adjacent to the Hospital. These blocks of quarters provide accommodation for 1 midwife, 2 compounders and 4 menial servants of the Hospital. The District Medical Officer states that these blocks of quarters were expressly built for the servants of the Hospital and that it is essential that these quarters should also be taken over by Government. The President, Taluk Board, Udipi, who was referred in the matter, reports that these 4 blocks of quarters are not attached to the Hospital and that they are separated from the Hospital and compound by a public road, and as such they cannot be handed over to Government. He further states that the Local Fund Sanitary Inspector has been labouring under difficulties for want of an office and a store room, the Local Fund midwife has also to be provided with quarters and also the construction of a new building for the Taluk Board Office on the site is under consideration.

(4) The District Medical Officer reports that the major portion of the cost involved in the construction of these quarters was met by public subscription. Out of the estimated cost of Rs. 2590/-, Rs. 1817 is said to have been met from the public subscription and the Taluk Board seems to have spent a small sum of about Rs. 700 only on the construction of the quarters. In these circumstances and in view of the fact that the quarters have been provided as a convenience to the staff and the patients of the Hospital, I consider it highly necessary that these quarters should also

also be taken over by Government along with the other Hospital buildings in the provincialization. The Taluk Board may therefore be requested to hand over the 4 blocks of quarters and to include the particulars regarding these quarters in the schedule of the conveyance deed.

(5) As regards the proposal of the Taluk Board for the conversion of certain rural dispensaries and for the opening of more rural dispensaries in the Taluk Board area - vide paras 2 and 3 of his letter, the District Medical Officer was requested to report whether the places selected by the Taluk Board for rural dispensaries are suitable. He has not replied the reference and he has been reminded. On receipt of his reply, the Government will be addressed.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel I.M.S.,

In continuation of this office endorsement No.Ref.1634-3 G, dated 6th December 1928, I have the honour to state that the District Medical Officer, South Kanara, reports that the rural dispensaries at Barkur and Shirwa under the Udipi Taluk Board have already been converted into regular dispensaries and that the places selected by the Taluk Board for rural dispensaries are all suitable. I agree with him.

(1) 2. Under G.O.No.833 P.H., dated 12th May 1926, the Taluk Board is eligible to Government subsidy for only 5 rural dispensaries. If the Taluk Board resolve to open more rural dispensaries they should bear the entire cost of such dispensaries

Sir,

I have the honour to state that out of the savings accrued as a result of the transfer of the Taluk Head quarters Hospital at Udipi ordered in G.O.No. 896 P.H. dated 17th April 1928, my Taluk Board has passed a resolution converting the present rural allopathic dispensaries at Barkur and Shirwa into regular allopathic dispensaries

P.T.O

from August 1928 and that the fact has already been reported to the Government in my letters Ref.S.No. No. 104/28, dated 11th July 1928 (submitted through the District Medical Officer, South Kanara, the President, District Board, South Kanara and the Surgeon General with the Government of Madras), -- and IV-Ref.C.No.-104/28 dated 21st July 1928 of which a copy has been submitted direct to the Government. It seems to me that these dispensaries come under the category of those opened by local boards subsequent to 9th March 1915 in -- respect of which the Government pay one-half of the cost and I request that the Government may be pleased to sanction the payment of grants to this Taluk Board in respect of the above said two regular dispensaries to the extent of one-half of the both cost (initial and recurring)

A recurring compassionate grant of Rs 2550 was being given to the Tk Bd from 1-4-27 as the Bd was working at a recurring deficit of this sum but as the Tk Bd has been afforded substantial relief to the extent of Rs 8700 by the provincialisation of the hospital at Ndipi, the grant has been discontinued. The budget for the current year after providing for the full year's expenditure on the Dt. hospital at Ndipi and taking credit for the grant grant of Rs 2550, is likely expected to close with a balance of Rs 3871 but the balance may rise to Rs 8570 owing to the saving in the Dt. year (5 of Rs 8700) less the grant.

Prior to the provincialisation of the L.F. hospital at Udipi, the Udipi Tk.Board was working at a deficit, and a recurring compassionate grant of Rs.2,550 p.a. was being given by Government from 1-4-1927.

As a result of the provincialisation of the L.F.Hospital at Udipi from 1-5-1928 there is a saving of Rs.8,700 p.a. to the Taluk Board and it is anticipated that the Taluk Board will work with a recurring surplus of Rs.6,150 per annum in future.
